**Subject:** REVISED Request for Meeting Regarding Alon Injection Wells

David and Michael,

Earlier today I sent a request asking to meet next week regarding Alon's injection wells and the Class I Aquifer Exemption and UIC permit. However, one of Alon's team member's now has a schedule conflict during that week.

Alon is now asking to meet on one of the following days:

June 15<sup>th</sup>

Afternoon of June 16<sup>th</sup>

June 17<sup>th</sup>

June 23<sup>rd</sup>, or

June 24<sup>th</sup>

Please let me know if any of these days work with your schedule, and what time you would like to meet.

I apologize for any inconvenience.

Best regards,

Robert Lorton
